- Understand the fundamental concepts of [x]
- Master the technical skills of using [x]
- Apply [x] techniques to solve specific problems in [y]
- This box should be a bulleted "TLDR" of the page

📑 Prerequisites: Page Creation/Layouts, [Insert other links here with `/link`]

Step Header - size: h1 (/h1) 🔗

More information on creating sections here: 📄 Document Page Creation | Section Structure

---

Step One Title/Name - size: h2 (/h2) 🔗

These are the instructions for step one.

This is a sub-step - size: h3 (/h3) 🔗

These are instructions for the sub-step.

Notice the indent.

> ⌄ Also consider using an expand to add more details
>
> These are additional details for the sub-step.

Troubleshooting/FAQs 🔗

> ℹ️ Add specific issues with solutions to this section to help others trouble shoot the same issues.

⌄ Example: I can't log in:

Try these things and those things. Call the service desk at 555-555-5555

⌄ Example: I tried X but got Y error message:

- Check access
- Log off and log back on

- Restart machine
